Subject: Recent School Tour

My name is Siobhán Foley and I am a teacher in St. Catherine's National school in Bishopstown. We brought our 4th Class on school tour last Thursday, 6th June. I am just contacting you to thank you for a wonderful day. The children have said they had a fantastic time. Many have named it 'the best school tour EVER.' The staff interacted very well with the children and knew them by name early on in the day. They took every precaution with the safety equipment and ensured the children enjoyed every minute of their tour. The children loved the range of activities available and I feel many of them will be returning to the Glen Resource Centre in the near future for birthday parties.

Thanks again for a great day

Siobhán Foley
